Office of the Muzrai Commissioner
in Mysore,
Dated, Bangalore, the 10th November 1922.

N O T E.

In connection with the construction of the first floor to the main building of the Sri. Uttaradi Matha in Sankarpur, Bangalore, I visited the Matha on the morning of the 27th October 1922 in company with Mr. C.Madava Rao, retired Superintending Engineer who is in charge of the construction work. I availed myself of the opportunity to examine the working of the Sanskrit Patasala attached to the Matha.

2. The questions connected with the construction of the first floor are being separately dealt with and a recommendation has been submitted to Government.

Out of the cash grant of Rs.526/- a month enjoyed by the Matha, a sum of Rs.200/- had been set apart for the maintenance of the Patasala located in the Matha at Hole-Narasipur. As Hole Narasipur was considered to be an out of the way place not attracting the right class of students, the Swamy's request to transfer a sum of Rs.150/- out of the provision referred to above for the maintenance of the Patasala to be newly located in -- Bangalore was sanctioned in Government Proceedings No.978-80/M.F.155-17-2 dated 19th October 1917, the balance of Rs.50/- being spent for the conduct of the Patasala and temple worship at Hole Narasipur.

At the suggestion of the Swamiji,

the scale of expenditure originally sanctioned in the order of 19th October 1917 was modified and the following revised scale was sanctioned in Government Proceedings No.2549-53/M.F.476-18-2 dated 22nd February 1919:--

| | | |
|---|---|---|
| i. | Vedanta and Sahitya Pandit .. | Rs. 30/- |
| ii. | Tarka Pandit ... ... .. | 30/- |
| iii. | Vyakarana Pandit ... .. | 10/- |
| iv. | Gumasta ... ... .. | 5/- |
| v. | Peon ... ... ... .. | 8/- |
| vi. | Contingencies ... ... .. | 5/- |
| vii. | Scholarships:-- | |
| | (a) Vedanta (2) at Rs.14/- each, | |
| | (b) Tarka (2) at Rs.12/- each, | |
| | (c) Vyakarana (2) at Rs.5/- each | 62/- |
| | Total | Rs.150/- |

(3) From an examination of the registers produced by the Manager of the Institution as well as from enquiries made by me, I am sorry to -- observe that the working and management of the Patasala are far from satisfactory. Though a sum of Rs.150/- is drawn monthly according to the sanctioned scale, it is ascertained that only a sum of Rs.67/- is being utilized monthly towards the items sanctioned by Government, and the local manager who is entrusted with the supervision of the Patasala, temple worship etc., was not able to satisfactorily explain as to how the balance of Rs.83/- was being utilized.

* Ved.Y.Vittalachar, Tarka Pandit 10/-
N.Krishnachar, Vyakarana Pandit 10/-
M.Seshachar, Gumasta 5/-
Peon ... 10/-
Stipends:-
Raghottamachar 14/-
Setu Madhavachar 8/-
Narasimhamurthiachar 5/-
Contingencies 5/-
67/-

Both the Pandits and the gumasta are only part-time workers, as they are employed in and borne on the establishment of the Sri Chamarajendra Sanskrit College, Bangalore. There is no Vedanta and Sahitya teacher, though one is provided for in

in the scale sanctioned by Government. There are only 3 students receiving scholarships as against 6 sanctioned by Government; and even of these, only two, viz., Raghotnamachar and Setumadhavachar seem to be bonafide students of the Patasala, the remaining one (Narasimha Murtiachar) being the archak of the Sri -- Anjaneyaswami temple and also a teacher in the Basavangudi A.V.School, who is attending the Patasala evidently for the sake of the scholarship. The scholarship which is being granted to this person should be discontinued as he is not a bona fide student.

The instructions conveyed in Huzur Superintendent's order C.P.No.140 dated 20th September 1920 to the then Patasala Manager to the effect that only such portion of the grant as is required for actual expenditure should be drawn and that in case if the full grant of Rs.150/- is drawn and a portion of it utilized for other items of expenditure not unconnected with the Patasala, the written authority obtained from the Swamigalu should be attached to the bill and that failure to act up to these instructions will result in the refusal to countersign the bill, seems not to have been needed.

(4) The above defects and irregularities will be brought to the notice of the Chief ent o the ust for communic ion to the Sri Swamigalu and he will be requested to see that they are rectified and that the mana e-ment of the institution is properly loo ed after in future. The Agent will also be requested to attach to all ture bill s

in future a statement giving full particulars of the expenditure for each month. The statement should contain the names of the Pandits, scholars and other member of the staff with the amount payable to each. The amount to be sanctioned on the bill will be restricted to the actual expenditure incurred according to the sanctioned scale.
